Parent/School Commitment

Downtown Academy is committed to the development of spiritual, social and academic excellence in our Children. True excellence can best be attained only when the parents/guardians, school, and child are committed and dedicated to that end. The level of effort and commitment of all three working together will determine each child's level of success at Downtown Academy.

The covenant outlines the key commitments between parents/guardians and Downtown Academy that are critical to each child's success. Acceptance of this covenant represents a promise between parents/guardians and Downtown Academy staff to meet the expectations listed below:

SCHOOL COMMITMENTS

- To provide Children with the experience and knowledge of the teachings of Jesus Christ.
- To provide all Children with academic, social and spiritual challenges to promote continual growth and improvement.
- To provide assistance for Children who struggle academically and provide recommendations when assistance is beyond the school's resources.
- To keep parents informed of their children's progress through frequent report cards and conferences.
- To work closely with families to further each child's academic, spiritual, personal and social development.
- To work with parents for the benefit and growth of the school community through quarterly Parent Workshop/Meetings.

PARENT COMMITMENTS

- To encourage and foster a deeper faith in the teachings of Jesus Christ.
- To ensure that Children are in school and on time every day (except in the case of serious illness) with the necessary books, completed homework, and supplies.
- To attend all Parent/Teacher conferences. If a parent is incapable of attending at designated times, the parent must call the school to arrange an alternate time.
- To attend quarterly Parent Workshop/Meetings. Parents are required to attend 2 of the parent meetings.
- To work with the school staff to promote appropriate speech, behavior and social development in each child. Close cooperation and rapid responses are particularly important when a child's behavior is not in accordance with the standards of Downtown Academy.
- To drop off Children no earlier than the designated drop-off time, and pick up or arrange for the pick up of your children after school dismissal. Children registered for Downtown Ministries' After-School Program may remain at school through the program.
- To make sure that Children are dressed in accordance with the dress code.
- To provide children with a quiet, distraction-free environment for homework and studies. This area should be free of televisions, radios, telephones, video games and young children.
- To pay tuition in a timely manner each month.

Media Release Consent

Dear Parent or Guardian:

Downtown Academy is a nonprofit educational institution designed to provide children an excellent and rigorous education at an affordable cost. This work represents a unique educational opportunity in that it functions much as a public school in its open enrollment policy, yet as a private school in its Christ-centered foundation. We are neither publicly funded nor tuition based. As a result, we rely on the generous contributions from the private sector for the daily operation of our program.

Public relations is a vital part of telling the Downtown Academy story to the public so that we can solicit and secure the needed resources. This involves promotion through the news media, publications, Facebook posts, brochures, and other printed and online media. It is therefore likely that your child will appear in photos that are taken here at the school.

Please sign the bottom of this letter granting you permission to use your child's likeness in our printed materials and publications that are used to tell others about our school. Thank you for your attention to this important matter.

Sincerely,

Patrick Ennis
Head of School

I hereby give my permission to Downtown Academy to use photos, videos, sound bites, and interviews of my child, _____, to appear in printed and digital material, publications, and related efforts to tell others about Downtown Academy.
